# Artists of Abraham Lincoln portraits

Richard Hyland

Excerpts from newspapers and other  
sources

From the files of the  
Lincoln Financial Foundation Collection

The above drawing of Lincoln was made by Richard Hyland. The carving and lettering was done by Annie Henderson. Both are students of Frank A. Krupp, Interstate Business College, Fargo, N. D. Mr. Krupp is preparing a course of lessons in card carving for the Business Educator. The above is a typical example of what students can accomplish.

We hope to see many of our readers follow this course, which promises to be very interesting.
